

Privacy Policy

CarrieXchange does not sell, rent, loan, trade, lease or otherwise transfer any personal information collected through CarrieXchange software or service to any third party outside the CarrieXchange network. CarrieXchange will not read, listen to, or disclose to any third parties private e-mail, conversations, or other communications that are transmitted using CarrieXchange services except as required to ensure proper operation of our services or as otherwise required by law. As we continue to develop our business, we may buy or sell companies, subsidiaries, or business units. In such transactions, customer information is generally one of the transferred business assets, but remains subject to pre-existing Privacy Policies (unless the customer consents otherwise). Also, in the event that CarrieXchange or CarrieX FZCO parts or substantially all of its assets are acquired, customer information will be one of the transferred assets.

In order to provide You or Your End-users with VoIP Services or other services you have requested, CarrieXchange may sometimes, if necessary, share your or your End-users Personal and Traffic Data with carriers, partner service providers and/or agents, for example the PSTN-VoIP gateway provider, distributor of CarrieXchange Software and/or VoIP Service and/or the third party banking organization or other providers of payment services. CarrieXchange will always require these third parties to take appropriate organizational and technical measures to protect Your and End-users Personal Data and Traffic Data and to observe the relevant legislation.

Please be informed that, notwithstanding the abovementioned, in the event of a designated competent authority requesting CarrieXchange or CarrieXchange's local partner responsible towards such authority, to retain and provide Personal and/or Traffic Data, or to install wiretapping equipment in order to intercept communications, CarrieXchange and/or its local partner will provide all necessary assistance and information to fulfill this request. CarrieXchange shall take appropriate technical measures to protect the confidentiality of the Communications Content via its network, website, Software and VoIP Services, with due observance of the applicable obligations and exceptions under the relevant legislation.

CarrieXchange reserves the right to modify the provisions of this Privacy Statement if deemed necessary. We will inform you of these changes on the Website. You agree that by continuing to use the CarrieXchange website, Software or VoIP services following the publishing of the revised Privacy Statement you indicate your acceptance of the Privacy Statement.
